LED STARTER PACKAGE

Professional Processions' starter package includes products to help people clearly identify a funeral procession.

\$399.95

Feature benefits:

Helps to improve the public's ability to recognize a procession

Installs and removes in seconds

Fits standard vehicles

Stays secure even at highway speeds

Does not damage paint finishes

Our starter package is the perfect way to quickly equip your fleet. This package includes:

- 3 packages (2 per pack) of funeral pylons
- 2 flags for the lead car
- 1 magnetic LED light bar

These accessories will help make your procession more unified by making them easier to identify.
